### GLScrip Reloads

Certain retailers allow cards that have already come from our system to be reloaded.

Online at [shopwithscrip.com](http://shopwithscrip.com) by choosing the green recycle card under the retailer's name.

IF paid with PrestoPay the cards have money available by 1pm (mtn. time) M-F

(If loaded on Saturday morning, the card will not be loaded until Monday afternoon)

There are currently 84 items available for Reload online (Whole Foods, AMC, Target, Starbucks, Hyatt, Panera, Gap/Old Navy, etc.) with new vendors added monthly.

**King Soopers** and **Safeway** reload cards can be reloaded at the Grocery Register before you check-out – see special section below.

### ScripNOW!

The Quickest and Most Convenient way to use the SCRIP program! Certain retailers allow you to purchase cards online and print from your computer or use directly from your phone with the MyScripWallet App.

From your online account at [shopwithscrip.com](http://shopwithscrip.com) you can choose "order ScripNow".

If paid with PrestoPay the cards are generally available within 5 - 15 minutes – then print or use through the MyScripWallet App immediately.

For an extra fee (25cents) you can have them emailed as a gift to someone else.

There are currently over 250 vendors available – Amazon, Chili's, Lowes, Home Depot, Lands End, Groupon, and many other online stores... with many being added weekly.

### Safeway and King Soopers Reloadable Cards

Safeway and King Soopers have allowed us to sell you a reloadable card. We then keep track of each person's card number (only the cards marked as "Reloadable"). Reload this card at the store with cash, check or your credit card.

Every four weeks Safeway and King Soopers send us a report of each card and the reloads purchased on that card. We then log those into the scrip system. These reports usually get sent to us around the 10<sup>th</sup> to the 15<sup>th</sup> of each month. Our Reload Coordinator matches purchase activity with each family's assigned cards and creates a summary report for our Data Entry Coordinator to enter in. This process usually takes another 2 weeks to enter, so there could be a lag of up to 6 weeks from your reload to the entry into Scrip.

## Things to just know...

### **PrestoPay**

It takes about 2 days to set up Presto Pay. This is to make sure each account is secure. The last step of the whole process is to send the email with the 4-digit code to [dcscrip@denverchristian.org](mailto:dcscrip@denverchristian.org)

PrestoPay makes your ScripNow and Reload purchases available within minutes/hours instead of days. It does not speed up the ordering process of physical cards; however, it does mean you don't have to make a trip to the school to bring a check for the order.

### **Safeway and King Soopers Reloadable cards**

Have a maximum balance of \$500 allowed.

The loading of them has to be done as a separate transaction **before** purchasing your groceries.

### **“Bonus Sales” on Shopwithscrip.com**

Periodically retailers will increase their rebate amount for a limited amount of time. Check online frequently for these “bonus” discounts as this will give a higher amount back when purchased during the sales period.

### **Rebates**

We award the rebates earned by each family 2 times per school year. Your rebates will post to your account as a credit. Once posted to your Denver Christian tuition account, they will be automatically taken off the following bill for those who pay FACTS. Rebates can **ONLY** be used for tuition.

### **Anyone can do it!**

Any family can buy scrip and save it in a future account until they have a child in school.

Any family member or friend can buy for another family. Just tell the Online Coordinator.

Separate accounts can be made for a family with a business – (one business account, one personal family account, etc.) all crediting the same tuition account. We encourage anyone who does not have a DC bill to please purchase scrip for another family... This is a great gift to have appear on your tuition account!

### **Cards come to school**

All physical cards come to the school and have to be picked up by someone. We do **NOT** deliver or mail cards.

Family members that are unable to come to school can designate someone else to pick them up, sign a waiver and have them sent home with their child OR use the virtual cards available!

### **How do I get started?**

Before you start the online enrollment process, please make sure you have DC's enrollment code. This code is available by contacting the Coordinator ([dcscrip@denverchristian.org](mailto:dcscrip@denverchristian.org)). Only by associating this code with your new account will the ShopWithScrip system correlate your shopping activity with DC so you can receive your tuition credit. Once you have this, you are ready. Go to [www.shopwithscrip.com](http://www.shopwithscrip.com). Click the gray **Register** box on the right side at the top. Look at Join Your Group's Existing Program and at the bottom click the blue **“Join a Scrip Program.”** Enter the Enrollment code and hit **“register”**. From here you can enter your information and accept the terms and conditions of using the site.

### **Drop Off/ Pick Up Schedule**

Drop off/ will be Wednesday morning until 10:00 am in the Main Lobby of the School. You can place your online order at any time but keep in mind the orders are processed each Wednesday at 10 a.m. If you do not participate in PrestoPay, you will need to have your check dropped off with your order confirmation sheet by 10 a.m. Wednesdays. These orders will be available for pick up after 3 p.m. on Friday of the same week or from the office after that time. (Disclaimer: it may take longer to receive an order during the Holiday season) ***New waivers will have to be signed***

*this year for everyone participating in Scrip, even if you're already a current Scrip user.* Please ask the coordinators or the school office for a waiver.

**Our goal is to help you fit Scrip into your life-style  
So that you can gain the most benefit from this program.**
