

DC Scrip Program Can Reduce Your Tuition

What is Scrip?

Scrip is a term that means “Substitute Money”. When you purchase scrip, you’re purchasing gift certificates, prepaid cards, or virtual gift cards that are used just like cash. You can use scrip to purchase everyday expenses like food, gas, clothing, and other essentials, and with every purchase, you earn revenue, anywhere from 2 to 15% or more per purchase toward your DC tuition account. The orders are submitted each Wednesday. Volunteers process the orders and they are available for you to pick up on Friday (Disclaimer: orders may take longer to receive over the Holiday season). You can also sign a waiver to give permission to send the order home with your student. In addition to online ordering, we offer Grocery “Cash-n-Carry” scrip every day during regular school hours. The DC Scrip is a year around program with a modified schedule during the summer months.

How scrip generates revenue for you?

The Great Lakes Scrip Center (GLSC) acts on behalf of churches, schools and other non- profit organizations to purchase large amounts of scrip from grocery stores, restaurants, and other retailers. Because the scrip is purchased with cash up front, the participating retailers offer a substantial discount. Denver Christian Schools buy the scrip from Great Lakes Scrip Center at the discount, and re-sells the certificates to families like yours for full face value. The discount – rebates from 2 to 15% or more – is the amount credited to your tuition account. You will receive two rebates per school year with the credit amount deducted from your tuition account. (You must use the rebate against the current school year tuition as we do not give any credits back that are left over at the end of the year. Scrip credits can only be applied to tuition, not enrollment fees.)

Look at Join Your Group’s Existing Program and at the bottom click the blue **“Join a Scrip Program.”** Enter the Enrollment code and hit **“register”**.
