

DENVER CHRISTIAN SCHOOLS BEFORE AND AFTER SCHOOL PROGRAM 2020-2021

Denver Christian School offers an on-site, licensed, school-age child care program for children grades K-5 who are currently enrolled in the school. The philosophy of the program is to provide a safe and reliable childcare option for our families before and after the regular school day. We provide children with a casual environment that offers opportunities for creative activities, unstructured playtime, social interaction and the development of positive Christian character.

Program Details

The program is offered on all regular school days before and after the school hours.

- Before School Care (**available 7:00am – 8:00am**) – For children ages K-8. This early morning program offers a low-key atmosphere that provides children with a positive transition to the school day. Children can choose activities such as quiet reading time, arts and crafts and table games.
- After School Care (**available 3:15pm - 5:30pm**)– For children ages K-5 only (6th-12th grade students may access Homework Club). This afternoon program offers children an opportunity to wind down from the school day. The program includes a nutritious snack, outdoor and indoor free play, arts and crafts and homework/quiet time.
